World Best Trading Co. L.L.C. (WBT) Specializes in Burma Teak Timbers and related products.

Founded in Dubai in the year 1990, World Best Trading Co. LLC (WBT) has established itself as one of the largest suppliers of premium teak timbers in the region. The group sources its timbers from the dense forests of Myanmar, Malaysia, Benin, Ivory Coast and other countries.

Over the years, the company has expanded its portfolio with the supply of other building materials such as Alternative Hardwoods, Commercial and Film Faced Plywood, MDF and Teak related products - Boards, Flitches, Veneers etc. Moreover, in 2015, WBT further diversified its operations by launching its exclusive range of Doors made out of the finest Teak Timbers from the group's in-house units in Myanmar.

With its major presence in UAE and Singapore and the growing economies of India, Myanmar and Ivory Coast, the group is committed to be one of the prominent suppliers of exotic Teak timbers and related products.
